Stewardship Corner

Luke 20:16 – “ ‘He will come and destroy those tenants and give the vineyard to others.’ When they heard this, they said, ‘Surely not!’ ” The crowds were shocked at Jesus’ parable because they took the grace of God for granted. They never thought that God would actually take “the vineyard” away from them. But we only have access to God by faith. And we can drive faith and the Holy Spirit away. That is the warning of the parable. The Lord has graciously given us His Kingdom. Let us not take it for granted but instead respond with humble thanksgiving!

APRIL STEWARDSHIP MESSAGE

What's the point?

As we journey through Lent and make our way toward Holy Week and ultimately to Easter, those outside of faith in Christ, are probably asking, "Why"?

Why do Christians have this yearly *obsession* over this event that occurred over two millennia ago?

Why do some in the Christian faith deny themselves earthly pleasures during Lent?

Why do Christians worship Jesus in the first place?

Without going into an apologetics treatise, followers of Jesus believe our final breath in this life is not the end. We also believe all life has meaning and purpose because we are made in the image of God. We believe that this life, which for many is marked by pain and suffering and for all culminates in death and decay, is not the end.

Jesus did not alter the reality of what we experience on earth – Christians experience the same cruel ravages of life as everyone else.

The message that Jesus brought was ultimate hope and eternal hope.

Christians live this life holding tightly to faith, hope, and love. When we leave this world, faith and hope are fulfilled. In eternity, we will live in perfect love. *The point is* Lent and Easter are a reminder that we should live in constant amazement of what the Creator of everything has done for us.

With our faith firmly rooted in Jesus Christ, we can confidently say, "Where, O death, is your victory? Where, O death, is your sting?" 1 Corinthians 15:55
